Important Dates

Eagle House Children's Literature Festival 14 – 18 June 2010

You can now book tickets for this amazing event later in the year. As many of you will know we are hosting a Celebration of Children's Literature at Eagle House this summer. We have authors coming in to school to give workshops and talk about books and writing. It will be a wonderful week and tickets have just gone on sale for the events happening in our Festival Marquee.

We have some top quality authors coming and we want **you** and your children to come along and enjoy the Festival. If you go to this page on the website <http://www.eaglehouseschool.com/childrens-literature-festival.htm> you will be able to get a schedule of events. Choose who you would like to come and listen to and book your tickets. Each event is £5 per person. The Festival is a great opportunity to find out about children's books, listen to the authors, get books signed and generally share in the buzz of the Festival.

Waterstones will be running a shop on site for the week and Capers Deli in Crowthorne will be providing refreshment throughout the week. You are invited to stay for as long as you like to get the most out of the Festival. Younger children will be entranced with our KidZone events, taking place in a separate tented area.

There are details about the authors on the website so you can find out more.

The whole school will be part of the experience and there will be a different timetable in operation that week. Many of the authors will be running workshops for the children during the mornings as well as speaking in the marquee. The marquee events are all ticket events as we only have 200 seats available. If you and your children would like to hear an author then please download a booking form and return it to the school office so that you can guarantee your place. We are inviting other schools and parents to join us so we anticipate places will go fast.

I do hope that as many of you as possible will support the event and help highlight children's reading as well as having some fun along the way.

The Festival pages on the website will keep you up-to-date with all the news and exciting developments.

Many thanks and I look forward to welcoming you to our Festival.
Matthew Edwards

LOST PROPERTY

Christopher Thomas has lost the following kit. Please have a search around!

A pair of navy blue PE shorts, a white PE shirt, 3 navy & red socks, 1 shin pad.

And Cameron Forkes needs to track down his Judo Kit, a blue games top and black Ruccanor rugby boots.

Please keep checking that you have your own kit!

AND FOUND - a security pass for QinetiQ at Farnborough. It will be put in the post on Monday if no-one claims it.

OUR SHOW AT SOUTH HILL PARK

13 the Musical is a show that highlights becoming a teenager and the trials that go with this. The show is based around boyfriend / girlfriend situations, peer pressure and certain themes may not be deemed suitable for a younger audience. We have only Years 7 & 8 pupils performing because of this. Ultimately we are happy for parents to make a decision as to whether they bring their kids along, I guess it would have a 12A rating in the cinema. The last thing we want is for young children and parents to feel that the issues / humour in the show are not suitable. The show is a comedy and it deals with things in a brash manner. It is a great musical and we are very excited about performing it. We would not be doing the show unless we thought it was appropriate but it is ultimately about growing up! We would love for everyone to see 13 but want to make people aware so that they can make a judgement for themselves.

MAKE A DIFFERENCE WEEK

Many children's newspaper articles are on display in the Old Library and they make fascinating reading. It's great to see the effort so many have made in this project!

Please do come and look at this magnificent exhibition of creativity.

PIANO FOR SALE

01344 775297 is the number to call if you are interested in buying our piano. It is a black upright, mde by Hicks and Son (Victorian) and we would like £100 ono. Ginny Hendry.

When his parents get divorced and he's forced to move to a small town in Indiana, Evan Goldman just wants to make friends and survive the school year. Easier said than done. The star quarterback is threatening to ruin his life and his only friend, Patrice, won't talk to him. The school misfit sees an opportunity for blackmail and someone is spreading the nastiest rumours. 13 is an hilarious, musical fresh from Broadway.

(Parental Guidance - 13 may be unsuitable for younger children due to some teenage themes - see note on previous page)
