Important Dates

CHANGES TO DATES IN THE CALENDAR:

July 3rd at 2.00pm The 'Little E Factor' for Nursery – Year 2 in the Sports Hall

STAFF NEWS

Sadly, we say goodbye to two experienced members of staff at the end of this term. **Mandy Woods**, a teaching assistant in the Nursery, leaves after 11 years service. Mandy has been here since the Nursery was first established and has been an important member of the team.

Lucinda Pitcher, currently a teaching assistant in the Pre-Prep and previously a Reception teacher, leaves after 5 years. More will be said about both of them at Speech Day but suffice it to say, they will both be greatly missed and I thank them for their massive contribution to the school. I am delighted that **Rachel Calvey**, who currently runs the boarding house with husband Tim and is the librarian, will resume some teaching in September, when she joins us to take on some Maths and Science. Rachel is an experienced KS2 teacher and will be a welcome addition to the team. We say goodbye to **Charlotte Barrett** and **Jessica Blundell**, our two gap assistants, and wish them luck as they embark on their university careers. Their replacements will be **Nick Maddock** (who is in the sixth form at Bradfield), **Kate Rhodes** (currently in the sixth form at Wellington) and **Hannah Smoker** (currently in the sixth form at Cranleigh). We also say goodbye to **David Pipe** who has been a fantastic help in the Music Department for the last two terms.

SNOOPY DOGS

Over the last two weeks we have been selling little dogs in the Pre-Prep to raise money for Dogs for the Disabled. We have lots left over, so if anyone from main school would like one, please bring your £2.00 to the Pre-Prep playground anytime after 8.00am. They will be on sale every day for the week beginning 23rd June.

Notices

PARTICULARLY PRE-PREP

LITTLE-E FACTOR

Due to the fantastic response to our fund-raising efforts for Dogs for the Disabled so far, I have decided that we will not be *selling* tickets for the Little E-Factor but will have a retiring collection instead. Consequently, everyone is welcome to attend without a ticket, but please limit the number from each family to a maximum of two people, so that we can all fit in the Sports Hall. We look forward to seeing you there.

JUDO DISPLAY

On Thursday 26th June all Reception parents are invited to a year 1 and Year 2 judo display in the Arts Hall at 3.00pm. We will be taking all of the Reception children to watch too, so that they can begin to think about whether to take up judo club in Year 1. It will last about 15 minutes. The Year 1s and 2s will then have their normal lessons.

OPEN SWIMMING LESSONS

You are invited to watch your child having a swimming lesson at the following time:

Reception 1 Monday 23rd June at 1.30

Reception 2 Monday 23rd June at 2.00

1W Monday 23rd June at 2.30

LIBRARY BOOKS

All library books will be collected in next week, so please be sure to bring them in on your library day. I would really appreciate it if EVERYBODY remembers – it takes a lot of time chasing up missing books at the end of term. If you are not sure what your books are called, please come and ask me.

MAIN SCHOOL SPORTS DAY AND PICNIC

We are hoping that the weather will favour us for this event so that we can enjoy a sociable picnic. This is the ideal opportunity for you to get together with friends, or, even better, organise class or year groups to get together for a picnic. You are invited to park your cars around the perimeter of Main and Railton fields, so that during the 'picnic break' during the Sports, you can simply get together and eat! We are sorry, but there will be no parking or picnics on Manor, as space is limited.

MAIN SCHOOL SPEECHES AND PRIZE GIVING

Speeches and Prize Giving will be held in the Dining Hall at Wellington College this year. We hope that all of you who want to come have replied to your invitations. All children are to be picked up from Wellington College at 1pm—no children will be coming back to Eagle House. **END OF TERM ENVELOPES** will be handed out by Form Teachers after Speeches at Wellington. Envelopes (one per family) will be with the teacher of the eldest sibling in your family.

END OF TERM PROGRAMME

The End of Term Programme is included in this week's newsletter. Please keep it with you during this busy period when routines change. It is a very useful guide as to what is going on at what time.

Achievements!

The Wellington Languages Experience 10th June 2008

The first ever Wellington Languages Experience took place at Eagle House on Tuesday 10th June. Pupils in Years 7 and 8 gained a taste of the different languages offered at Wellington College, which include French, Spanish, German and Mandarin.

Toby Seth, the Head of Modern Foreign Languages at Wellington, and three members of his department worked extremely hard to provide interesting and fun taster lessons throughout the afternoon. This included listening to Shakira, ordering at a French café (and eating delicious food), learning to count up to 15 in German and how to say 'I am English', as well as other basic expressions in Mandarin. There was a real 'buzz' about the place, which certainly helped to raise the profile of learning a modern foreign language at school!

The main aim of the afternoon was to help pupils in Year 8 make an informed choice about their modern languages studies at senior school come September 2008.

The afternoon was a huge success and it was thoroughly enjoyed by all, staff included! Many thanks to Toby Seth, Sophie Jobson, Charles Oliphant-Callum and Yinyin Tang for taking the time out of their busy schedules to teach at Eagle House.

Merci! Danke! Gracias! 谢谢(xiexie)!

Here is a selection of positive responses from the pupils in Years 7 and 8:

'Je me suis amusée dans chaque leçon!' *Elodie Jobson 7E*

'I learnt a lot from this language day.' *Robert Hwang 7S*

'J'ai aimé beaucoup toutes les langues et c'était une expérience très amusante!' *Francesca Barnard 7S*

'Thank you very much for coming to our school and providing us with an enjoyable and memorable experience.' *Chloe James 7S*

'Si j'ai la chance d'aller à Wellington, j'aimerais faire du français et de l'espagnol.' *Charlotte Jobson 7W*

'I learnt how to say many phrases and this has definitely given me an idea of what languages I will be taking up at Wellington.' *William Price 8E*

'I am thinking of taking up Spanish and continuing with French. This is all due to your excellent teaching.' *Folarin Shasore 8E*

'Thank you so much for the incredible afternoon! The Spanish was super, the German was great, the French was fantastic and the Mandarin was magnificent.' *Edward Beedham 8E*

'Thank you for taking much of your time to teach us. I really enjoyed it because I got a taste of different languages.' *Phat Yoovidhya 8W*

EAGLE HOUSE ASSOCIATION NEWS

Paupers Ball – Saturday October 4th

A relaxed and informal event at which we hope to welcome as many of you as possible.

Details went out in half term envelopes and within the first week the event is half sold! The evening promises to be “quirky” and “fun” and with capacity for approximately 150 in the Assembly Hall we urge you to get your tables filled and booked as soon as possible.

Recruitment

We have four new volunteers for the Committee next year and now just require someone specifically to take on the role of Treasurer. If you can spare a couple of hours each half term for the Committee meetings and just a few extra hours for basic book keeping we'd love to hear from you. Please email tracey.brown@flightlg.com if you can help out.

EHA would like to thank all those who brought or bought cakes at the Cake Sale. We made £200 for Macmillan Cancer which they will greatly appreciate.

Many thanks.

Street Dance Workshop Friday 6th June 2008

Street Dance has been the 'flavour' of the month for the pupils of Year 8! Dan Little, one of the judges at E-factor 2008 and the principal of Vanquish Dance Crew, held a workshop at Eagle House on Friday 6th June, which was a great success.

The two hour workshop certainly got hearts pumping and proved to be a thoroughly enjoyable afternoon. It started with learning basic Street Dance techniques, such as the robot, the wave, break-beat steps and how to 'krump'. (Please ask Kevin Akunwa to demonstrate this dance step.) Pupils were then taught a short routine to a set piece of music, which was performed with gusto, as well as great 'krumping' faces, by everyone in the room at the end of the session. The workshop demonstrated that anyone can dance and that it's good fun.

If you wish to find out more about Dan Little and Street Dance, visit his website www.myspace.com/vanquishdance. He is also holding a Summer Dance workshop in Wokingham at the end of July. Please ask Tracey Lightstone for a leaflet.
